I like the world he's built; I love the characters. Even their speech patterns and mannerisms make for an enjoyable read. But the pages of exposition, the sheer number of words makes it drag. A single | About the Author | With over seven million copies of his books in print and seventeen titles on the New York Times best seller list, David Weber is the science fiction publishing phenomenon of the new millennium. In the hugely popular Honor Harrington series, the Number one in a new epic fantasy series by 28-time *New York Times* and international bestseller David Weber, set within his Bahzell Bahnakson/War God universe.

A swordsman who has been robbed of his past must confront an evil wizard, with a world at stake.

Know thyself. It's always good to know who you are, but sometimes that's a little difficult. Kenhodan has no last name because he has no past...or not one he remembers, anyway. What he does
